Description

Universal Snow Plow - Tractix ATV/UTV, 5 foot (60") - 1.5m. Working width 150cm (60in), working height 40cm (16in).

Includes new wide profile universal mounting plate that doubles as underbody protection skid plate / crash plate. No more worrying about lining up your mount holes or rolling over a rock when plowing.

Plow blade thickness is approximately 2.3mm (13 gauge cold rolled steel). Adjustable multi-stage and full-range rotation capabilities.
